DGSHAPE DWX Milling Solutions

Master Sales Guide

12/14/2022 Revised

Why Subscription Plans?

- Subscribe & Save subscription plans automatically ship on the 15th of each month and save users up to 28% on trusted, quality authentic Roland DGA dry milling tools
- Decreases laboratory overhead, increasing ROI
- Ensures that users never have to worry about having insufficient stock of dry mill tools.
- Saves users the time and hassle of ordering tools as needed.
- Competitive price point encourages users to mill with authentic Roland DGA tool sets in place of alternative tools of less quality and reliability.
